Where: DTSC Cypress Office - 5796 Corporate Ave, Cypress, CA 90630

DTSC will host the Exide Closure Kickoff meeting on September 27, 2017 from 10:30 to 12:30. I will forward a formal meeting agenda to everyone as we get closer to the meeting date, but in general we will discuss:

- Lines of Communication
- Project Management Structure/Approval Authorities
- Schedule of Milestones

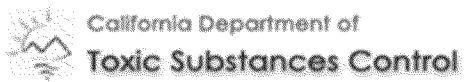

Please confirm with me who from your organization will be attending in person or via conference call, including their role, if it extends beyond this invite list. As it will be a very full room, I want to make sure we have adequate seating and facilities.

DTSC will also have a conference call line available at (866) 673-0803, part code – 8954565.

We look forward to talking to everyone on 9/27!
